Hippo Hot Water Pressure Washer 3 Phase 2910 psi

Part Number: 00HS2015

The Hippo is a mid-sized hot water pressure cleaner that heats water up to 100°C to quickly cut through dirt and grease. Better yet it can double as a cold water cleaner so you get great value for money and can tackle just about any job that comes your way. The Hippo has a powder coated steel frame and is designed to give easy access for maintenance. It also comes with four lifting eyelets, low fuel indication/cut-out, chemical metering valve and many more great features. The stainless steel cover gives long lasting protection to your investment and the low speed Interpump ceramic plunger pump offers much longer operational life than older style high speed machines.

SPECIFICATIONS

Flow: 15 lpm
Motor Type: Electric
Motor Power: 5.5kW
Voltage: 415V 50Hz
Pump Make: Interpump
Pump Speed: 1450 RPM
Max Temperature: 120 °C
Hp Hose Type: 3/8 in two wire braid
Hp Hose Length: 10m
Frame Type: Steel with stainless steel cover
Wheels: 4
Weight: 150kg
Dimensions: 100 x 63 x 85

This range of industrial hot water high pressure washers comes with powder coated steel frames and are designed to give easy access for maintenance
Low speed ceramic plunger Interpump pump
Larger models include lifting eyelets and ability to double as cold water cleaners
Low fuel indicator and low water cut off
Delayed stop protects pump from excessive shock loading
High pressure and low pressure detergent operation
One year commercial warranty
