

Innovative and versatile mid range cold water high pressure cleaners

The MC 5M cleaners are the most versatile partners for demanding customers in agriculture, industry, construction and automotive. The range succeeds in combining an unmatched level of mobility and ease of use with unbeatable robustness, optimal service and great storage features. The benefits of the Gerni MC 5M series come in the small touches brought to ensure a high ease of storage of accessories, cables and hoses. Storage space requirements are further reduced through a robust yet foldable transport handle. The optimal service concept is aimed at ensuring that any maintenance tasks can be done quickly and cheaply.

- Tough and sturdy design with 30mm steel frame
- Optimal storage and transport with foldable handle and easy lifting points
- High mobility with large rear wheels and most models with front castor wheel or a foot
- Easy accessibility to pump, optimal service concept
- Ergonomic accessory concept
- 1450 rpm motor and 3 ceramic piston pump for intense use
- Water flow adjustment
- 2 way detergent valve
- Ergonomic accessory concept
- One year commercial warranty
