

SC4000

Maneuverable mid-size ride-on scrubber dryer

NILFISK

Clean confined areas with ease

Agile, flexible, and easy to use

Perfect for cleaning both small and large areas as well as aisles.

With a more compact design, the SC4000 is capable of easy maneuverability in narrow spaces and is able to pass through standard-sized doorways. Designed to clean a wide variety of floor surfaces with its highly versatile two deck options and was developed with schools, hospitals, and retail stores in mind.

Mindful Cleaning Efficiency

Innovative technologies and functionalities that ensure high performance

Easy Operation All command functions are integrated into the steering wheel - quick access allows for seamless, on-the-go adjustments. Operator's hands are always in contact with the wheel.

Flexible and Quiet Clean inconspicuously any time due to best-in-class turning radius (166 cm), a compact profile, and low-decibel quiet operation.

ECOFLEX™

Ensure high-quality cleaning every time, regardless of dirt level. At the touch of a button, EcoFlex™ enables optimum cleaning results regardless of soil levels and saves detergent and water.

SMARTFLOW™

Reduce costs, minimize dump and refill cycles and maximize productivity with SmartFlow™, using up to 50% less water and detergent than similar machines.

Clean all areas with ease

Navigate doorways, up and down aisles or in open spaces
without missing a beat

Available in both standard and high-performance models, disc and cylindrical to optimize versatility and maximize productivity.
