## SURFACE CLEANERS

Versatile and easy to use surface cleaners that quickly cut through dirt, mould and grime. Ideal for cleaning paving, tiles, warehouse floors, carparks and other areas.

Enables fast and even coverage of large areas with no striping.

Lightweight ABS or stainless steel covers.

14-20" models with 2 rotor arms, 22" model with 3 rotor arms to deliver precision cleaning.

4 solid castor wheels for excellent mobility to reduce operator fatigue.

Splash protection prevents dirty water and loose debris from flicking up.

One year commercial warranty.
